

Cruise USA presents ...

The Devlin Black Crown 27

**27-ft. inboard diesel • Sleeps 2 + 2 • Water Heater
GPS and radar equipped • Enclosed head w/shower
Full galley – fridge, stove, oven, micro, coffee maker
Large aft deck with grill, swim platform, aux controls**

Located at the Hibiscus Harbor Marina in Union Springs, New York; your Cruise-USA vessel is within an hours drive from Syracuse Int'l, and Rochester, NY airports; and is about 2 hours from Buffalo Int'l. Arrive by airline/rental car, your own aircraft, or in your car. You're only a short drive from our docks where your Cruise USA Trawler awaits you and the start of your relaxing personal canal adventure ...

Our vessels are perfect for their intended task ... bareboat cruising in style. Our self-hire boats are easy and fun to operate, and are fully equipped for your comfort and safety. They're attractive, affordable, and very comfortable; all of these features make our charter vessels a great value.

We cruise aboard these vessels ourselves, so we keep all the items you'll need for a comfortable cruise onboard each Cruise USA vessel. You'll have everything you need for a great time while cruising, or relaxing at the dock.

The Nimble Nomad

**24-ft. Honda 50hp outboard • Sleeps 2 + 1
GPS equipped • Enclosed head • Solar shower
Full galley – fridge, stove, micro, coffee maker
Cozy aft deck with grill, bimini, screen enclosure**

U.S. Coast Guard recommended safety equipment is provided/installed.

You'll quickly get familiar with your Cruise USA vessel on a short orientation cruise. We'll show you how to locate and operate all the equipment onboard, and how to operate your self-hire boat on the canal, and through the locks. You'll be an expert in no time, and on your way to explore a fantastic, and historic journey along some scenic waterways. You set the pace, and pick the stops from some of our favorite itineraries, or your own if you like.

Enjoy the scenery and nature, while listening to music, conversation, or just the tranquil sounds of nature, and the water slipping past the hull of your boat; while you cruise along one of the most historic waterways in the country.

Take a picture, read a book, write postcard to friends....it's all about slowing down to the pace of the canal ... and relaxing.
